RADIATORS

Granite Building is a highly-prominent property, located close to the junction of Stanley Street with Dale Street and residing within Liverpool's prime business core...

The (c.1882, Grade II listed Building) is comprised of Sub-Basement, Lower Ground, Ground and four Upper Floor levels, built in a traditional construction style, and presents an impressive granite façade to all of its Stanley Street entrance visitors.

Each of the office suites available for occupation provides newly-refurbished office accommodation that is centred round a central service core.

The building is centrally located within the central business district area and within easy access to all the staff amenities a busy City centre can offer.
